Ric Higgenbothum is probably the most community active member of the DNA Board. He has been involved with almost all of the projects that the board has undertaken, incurrantly chair of the upcoming DNA 40th Anniversary Home Tour scheduled for Mother's Day, May 11, 2014. In 2013 he led the DNA board and the community in choosing a new mission statement,

In 2009 Ric designed and had built his house at 1401 Roma Avenue. With its contemporary and traditional features it is an excellent contextual fit into the DNA neighborhood. In Ric's words, "The goal in constructing a new home in a very traditional Arts and Crafts / Cottage Style was to capture and retain the charm, elegance, warmth and livability of historic homes in the downtown 4th Ward neighborhood."
